### Applicant Information

Why are you interested in participating in the workshop?

What experience (if any) do you have incorporating social concerns into mathematics courses?

Do you have any experience with service learning? Explain.

What course(s) will you be teaching that will use materials developed at the workshop?

What support do you have from your institution and your department for your participation in the workshop?

Is your institution a member of the Pennsylvania, New York, or other Campus Compact?

Is there other relevant information you'd like us to know?

### Submit Application

You may

- Email your completed form to [bremser@middlebury.edu](mailto:bremser@middlebury.edu),
- Fax it to Priscilla Bremser at (802) 443 – 2080, or
- Mail it to Priscilla Bremser, Dept. of Mathematics, Middlebury College, Middlebury, VT 05753

*Pennsylvania* | **Campus Compact**

*New York* | **Campus Compact**
