

Problem Sets
Calculus II (MATH 0122), Sections C and D
Spring 2012

April 30, 2012

Assignments are from James Stewart's *Single Variable Calculus, 7e*. Assignments are collected on Mondays, Wednesdays and Fridays. The listing above gives the day which you would want to start the set, not the day it is due. The set is due the following class meeting (unless otherwise noted) which falls on a M, W or F. Generally two assignments are collected on Monday.

In an effort to save paper, all future assignments will be available from the course webpage.
