## Congratulations !

**W**e invite you to join the Middlebury College community for a preview of the opportunities and experiences that await you as a Middlebury student. Come take a closer look at us on April 11–12 or 18–19, and find answers to all of your questions.

The enclosed schedule outlines the programs that we have coordinated to help you get to know Middlebury better. We hope that you will take advantage of some of these offerings during your visit, but please feel free to organize your day to best explore your own personal interests. Be sure to include class visits, try your toughest questions on students, professors, and administrators, and save time for a stroll downtown and a visit to the College bookstore.

Keep in mind that the Middlebury campus covers about 350 acres; we encourage you to wear comfortable walking shoes and come prepared for a (possibly) cool or rainy spring day. If you plan to stay in the area an extra night, you are invited to observe more classes before departing from Middlebury.

In this brochure you will find information that may be helpful as you plan your travel and your day on campus. If you have any questions or need any assistance with your travel plans, please give us a call.
