

Toilet Training

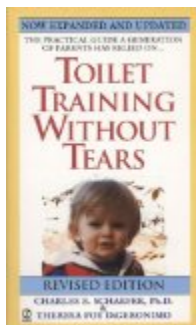

Potty Train Your Child in Just One Day: Proven Secrets of the Potty Pro by Teri Crane and Philip Caravella

This guide helps parents with the process of toilet training by teaching them how to: look for the signs that your child is ready to be potty trained; make the potty connection by using a potty-training doll; and, create incentive through consistent positive reinforcement. This book departs from other guides because of the author's concept of having a potty party day that engages a child in potty training, serving as a tool to motivate children to want to go to the bathroom.

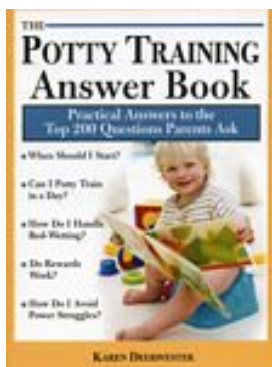

The No-Cry Potty Training Solution: Gentle Ways to Help Your Child Say Good-Bye to Diapers by Elizabeth Pantley

Pantley asserts that potty training doesn't have to be a stressful experience. This guide helps children get on the road to bathroom independence without frustration, confusion, or tears. This book also includes a complete bathroom safety checklists and childproofing strategies.

Toilet Training Without Tears by Charles E. Schaefer with Theresa Foy DiGeronimo

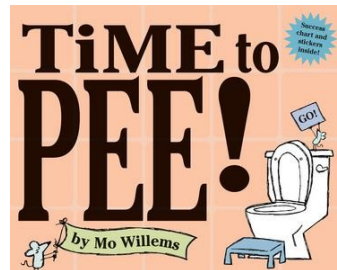

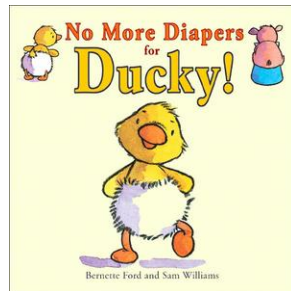

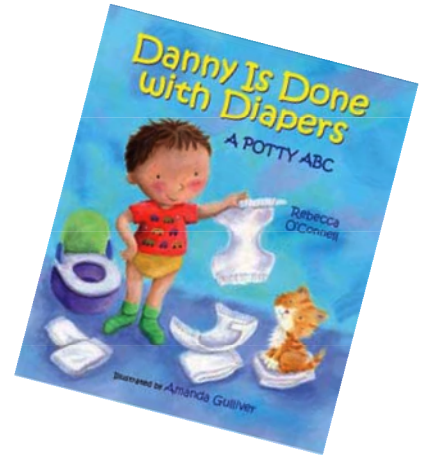

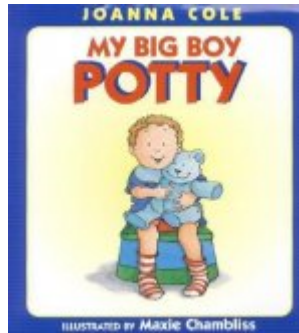

Since no one toilet-training method is right for every child, renowned child-care expert Dr. Charles E. Schaefer has created a guide that explains how--and at what ages--the four most popular methods work. Includes a tear-out list of important do's and don'ts.

Potty Training Answer Book: Practical Answers to the Top 200 Questions Parents Ask by Karen Deerwester

One of the biggest challenges of being a parent is conquering potty training. And it seems everybody has an opinion on when to do and how to do it. This guide breaks down the top 200 questions parents ask when faced with the potty training challenge. Compiled through her own experiences and through Q&A sessions with parents, Deerwester covers the difficult--and funny--questions with detailed advice and information. For parents overwhelmed by the daunting task ahead, *The Potty Training Answer Book* gives them the answers they need in a quick, easy-to-read Q&A format.
